DPD-1695-62
13 March 1962

Dear Charlie:

Once again we are in the process of preparing the Project and FOG Budget for the forthcoming Fiscal Year, 1963 (1 July 1962 - 30 June 1963). It is requested that budgetary estimates be submitted to cover the following anticipated procurements with your Company:

a. Contractor Technical Representatives.

1. Project. Furnish personnel to support operation as follows:

(a) At two (2) overseas sites for a period of one (1) year.

(b) At one (1) domestic site for a period of one (1) year with the assumption that stagings will require the services at overseas locations approximately 1/3rd of the time.

The estimate should be in sufficient detail to reflect the quantity of personnel, the cost involved by a man-month rate and travel and per diem costs. Contract arrangements to be as they presently exist under Contract No. TP-800.

2. FOG. Estimate should be prepared assuming the same level and scope of operations as was experienced during FY-1962, and should include man-month rates for domestic and overseas service. Contract arrangements to be as they presently exist under Contract No. TP-57.

b. Repair and Overhaul of Equipment, "Common" Customer (Project and FOG). Furnish necessary facilities, materials and services to repair, overhaul and/or modify Project and FOG equipment as it may be returned to the factory from time to time. Estimate should assume the same scope and level of operations as FY-1962. For your information the funding ratio for the "Common" Customer during FY-1963 will be 20% Project/80% FOG. Contract arrangements to be as they presently exist under Contract No. SC-56-42.

c. Spare Parts, Test Equipment, Modification Kits., etc., "Common" Customer (Project and FOG). Furnish such supplies, equipments, components and/or kits as called for by the Depot. Estimate should be prepared on the same basis as b., above. Contract arrangements will be the same as existing Contract No. HF-CT-695.

Receipt of the above information by 1 April 1962 would be appreciated. Original and five (5) copies of Contractor's estimates are requested.

Sincerely,
